RESOLUTION - 83-2026

WHEREAS, it is the corporate responsibility of the Western Regional Off-Track Betting Corporation ("Western') to operate its food and retail service operations in conjunction with our inventory system, in the most efficient manner, while providing the best experience to its customers; and

WHEREAS, Western operates restaurants, bars, a gift shop, and concerts at its Batavia Downs location; and

WHEREAS, at its June 2023 meeting, the Board of Western authorized a five-year agreement with Agilysys NV, LLC ("Agilysys") for its point-of-sale ("POS") system; and

WHEREAS, at its March 2024 meeting, the Board of Western authorized the purchase and implementation of the Agilysys Eatec inventory control system as well as its annual recurring software maintenance; and

WHEREAS, the Eatec inventory control system integrates with Western's POS system, vendor invoice systems, and accounting software to provide inventory purchasing, receiving, tracking, depletion, supplier, and product management functionality, while further automating purchasing, invoice processing, and accounting functions and improving operational efficiency; and

WHEREAS, the Eatec agreement provides annual recurring software maintenance for the inventory control system and its related POS, accounting, and vendor interfaces; and

WHEREAS, this is a validated single source procurement because Agilysys is the only provider of this service as the original manufacturer of the equipment and the terms and conditions of a viable warranty would be violated by the "servicing" by uncertified or unauthorized personnel, and there are no other sources from which authorized parts or components or servicing on its equipment from certified or authorized personnel may be obtained as Agilysys possesses exclusive, limited rights in data, patent rights, secret processes to its proprietary Eatec software and related interfaces; and

WHEREAS, the cost of Agilysys Eatec software and interface maintenance for the period September 1, 2026, through August 31, 2027, is eighteen thousand nine hundred ten dollars and sixty cents ($18,910.60); and

WHEREAS, funding for the provision of this service is included in the 2026 Operating Plan; and now therefore

BE IT RESOLVED, that the Board of Western authorizes payment to Agilysys NV, LLC in an amount not to exceed eighteen thousand nine hundred ten dollars and sixty cents ($18,910.60) for Eatec software and interface maintenance for the period September 1, 2026, through August 31, 2027; and

BE IT FURTHER RESOLVED, that an officer of Western is hereby authorized to make payments under said agreement that reflects the Board's actions.

The committees may enter executive session, upon motion and approval in open session by the applicable committee, as permitted by New York Public Officers Law section 105, including Public Officers Law section 105(1)(d) for discussions regarding proposed, pending, or current litigation; No final action will be taken in executive session.

RESOLUTION - 84-2026

WHEREAS, it is the corporate responsibility of the Western Regional Off-Track Betting Corporation ("Western") to operate its various locations including its Batavia Downs Gaming location in a safe and efficient manner, while providing the best experience available to our patrons and employees; and

WHEREAS, since January 2026, Western has received several demands and inquiries from the IRS which has taken several actions including assessing payroll-tax penalties and pursuing collection activity, maintaining unusual Revenue Officer oversight of multiple tax years (2020-2024), and conducting a full employment-tax audit, all of which may expose Western to financial liability; and

WHEREAS, these matters currently involve approximately one hundred forty-seven thousand dollars ($147,000.00) in assessed balances, which remain subject to continuing interest and penalties, as well as potential additional exposure resulting from the employment tax audit; and

WHEREAS, at its March 2026 meeting, the Board of Western authorized retaining Lippes Mathias LLP ("Lippes Mathias") to represent Western before the IRS; and

WHEREAS, on behalf of Western Lippes Mathias has, among other services, challenged penalty assessments and sought Appeals review, contested overbroad IRS information requests, and narrowed the scope of the employment tax audit and obtained reassignment to a new agent, resulting in the rescission of the earlier document requests and a more limited examination, and assisted with the partial abatement of certain penalties; and

WHEREAS, continued representation is necessary to challenge the assessed balances and continuing accrual of interest and penalties, respond to the full employment tax audit, address ongoing Revenue Officer oversight, coordinate Western's positions before IRS Collections and Appeals, and limit potential additional tax exposure; and

WHEREAS, staff recommends Western allocate the sum of forty thousand dollars ($40,000.00) for current and anticipated future legal fees associated with these IRS examination, collection, and appeals matters; and

WHEREAS, funding for these legal services is included in the 2026 Operating Plan; and now therefore

BE IT RESOLVED that Western's Board of Directors hereby agrees to allocate forty thousand dollars ($40,000.00) for current and future fees associated with Western's pending IRS examination, collection, and appeals matters; and
